About MA-UK Myanmar

MA-UK Myanmar is an international non-profit non-governmental organization registered in Myanmar. We have been delivering aid to Myanmar since 2012. Our organization has been providing vital emergency assistance and long-term development projects to thousands of people in dire need of humanitarian assistance through Myanmar each year. Our areas of work include Education, Livelihood, WASH (Water, Sanitation & Hygiene), and Emergency Response.

Purpose of the position

The Education Project Manager (EPM) will provide overall management, leadership and support to the Integrated Education & WASH Response project in Sittwe, Rakhine State. The project is implemented by a consortium including Save the Children International (SCI) as the lead, Lutheran World Federation (LWF) Plan International (Plan), Humanity & Inclusion (HI) and MA-UK.

The EPM will be expected to provide technical guidance and management support throughout the programming process and to facilitate the administration and achievement of results on education programmes/projects. The EPM will ensure compliance of the consortium modalities, as well as MA-UK's Strategic Plans and accountability frameworks.

This role will directly support the improvement of learning outcomes alongside proving access to equitable and inclusive education, especially for children who are marginalized, disadvantaged and excluded in target areas.
