### About MA-UK Myanmar

MA-UK Myanmar is an international non-profit non-governmental organization registered in Myanmar. We have been delivering aid to Myanmar since 2012. Our organization has been providing vital emergency assistance and long-term development projects to thousands of people in dire need of humanitarian assistance through Myanmar each year. Our areas of work include Education, Livelihood, WASH (Water, Sanitation & Hygiene), and Emergency Response.

### Purpose of the position

The Shelter Project Manager (PM) will provide overall management and leadership to support achieve the objectives of the anticipated project 'Enhancing Dignified and Improved Living Condition of IDPs in Rakhine State, Myanmar through Shelter, WASH, Education and Protection'. The project will be implemented by a consortium including three international and one local organisation. The scope of the PM may not be limited to this project and the role may be additionally responsible for the management of future shelter-focused projects.

The PM will be expected to provide technical guidance and management support throughout the programming process and to facilitate the administration and achievement of results on the project. The PM will ensure compliance of the consortium modalities, as well as MA-UK's Strategic Plans and accountability frameworks.

This role will directly support the improvement of learning outcomes alongside proving access to equitable and inclusive access to improved living conditions, especially for those who are marginalized, disadvantaged and excluded in target areas.
