About MA-UK Myanmar

MA-UK Myanmar is an international non-profit non-governmental organization registered in Myanmar. We have been delivering aid to Myanmar since 2012. Our organization has been providing vital emergency assistance and long-term development projects to thousands of people in dire need of humanitarian assistance through Myanmar each year. Our areas of work include Education, Livelihood, WASH (Water, Sanitation & Hygiene), and Emergency Response.

Purpose of the position

Partnership Coordinator will provide targeted and high-quality guidance, support and capacity strengthening related to localisation and partnerships. The position will promote a new way of working by developing strategic partnerships throughout Myanmar and support relationship management with existing partners. The role will lead the identification and development of partnership either with civil society, NGO, private sector, authorities, think tank or NGOs. The role will lead the development of tools, processes and will support area offices in implementing them, including in helping to develop partnership management structures, identify potential new partners, the improvement needs for partners and build their capacity for both within program and operation teams.

This position requires an individual who can manage a portfolio of relationships with civil society/partners and increase the capacity of partner organisations to contribute for strong and effective organisational governance, management and quality programming. This involves good
